J. Closed Session

Chair Hansen read the following statement:

“Pursuant to Utah Code Ann. Section 52-4-205, I hereby make a motion to close the meeting for the following purposes:

- (a) a discussion of the character, professional competence, or physical or mental health of an individual;
- (b) a strategy session to discuss pending or reasonably imminent litigation;
- (c) a strategy session to discuss the purchase, exchange, or lease of real property, because public discussion would:
 - (i) disclose the appraisal or estimated value of the property under consideration; or
 - (ii) prevent UIPA from completing the transaction on the best possible terms;

Following a roll call vote at which 2/3 of the voting board members approve the closed meeting, the following information shall be publicly announced and entered on the minutes of the open meeting at which the closed meeting was approved:

- (a) the reasons for holding the closed meeting were included in the motion;
- (b) the closed meeting will be held at the offices of UIPA, 111 South Main Street, Suite 550, SLC, on Thursday, May 12 at 10:00 a.m.; and
- (c) the vote by name, of each member of the public body, either for or against the motion to hold the closed meeting, was noted in the roll call vote.

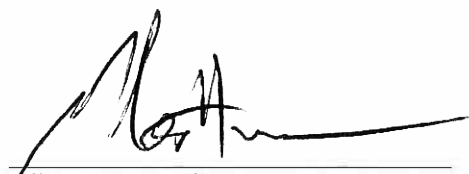

The reason for holding the closed meeting tomorrow is just to accommodate the schedules of the board members—it is often normally held immediately following the open meeting but that didn’t work for all board members and that is not a requirement of the law. The reason for holding it at UIPA’s office is to allow Jack, Jill and their team to have access to whatever information the board requests as we discuss the matters for which the meeting was closed. One of the reasons for holding the closed meeting is to allow the board to be careful and protective of public funds. The Open and Public Meetings Law requires that we announce during the open meeting the location of the closed meeting but does not require that it be at the same location as the open meeting and does not require that we specify the date and time. No vote on any matter will be taken at the closed meeting other than a vote to end the closed meeting and the only matters that will be discussed will be those included in the motion.”

Board member Stevenson made a motion to move to closed session after which board member Hemmert seconded that motion. A roll call vote was taken and passed with the following:

Miles Hansen - yes
Dan Hemmert - yes
Mike Schultz - yes
Jerry Stevenson - yes

K. Adjourn

Meeting was adjourned after the closed session on Thursday May 12th.

Miles Hansen, Chair
