VII. Policy

The Utah Inland Port Authority may elect to approve the creation of a public infrastructure district (PID). As per UCA 17D-4-203, PIDs may:

- Issue negotiable bonds to pay
- Enter into an interlocal agreement
- Acquire completed or partially completed improvements for fair market value
- Contract with the contracting entity

VIII. Application

A district applicant shall provide to UIPA staff the following information:

- Intent and purpose
- Description and map of proposed PID boundaries
- Statement of public benefit for creation of PID
- Petition that meets the requirements of UCA 17D-4-201
- Explanation of how proposed PID aligns to UIPA's objectives and strategic plan
- Infrastructure overview, including proposed development, infrastructure, and construction
- Summary of all related costs including development, infrastructure, construction

UIPA staff will review the PID applications and make recommendations to the district applicant for next steps or revisions.

IX. Approval Process

At least two public meetings will be held prior to the UIPA board's approval for PID creation.

1. First Meeting: One public meeting will be held to review the PID application and UIPA staff recommendation and approve district applicant to proceed with governing document preparation.
2. Second Meeting: One public meeting will be held to review and adopt a resolution to create PID and governing documents as well as appoint board members.

X. Governing Document

A district applicant shall prepare a governing document pursuant to 17D-4-202. A district applicant may work with UIPA staff, at the discretion of the UIPA board, in the preparation of the governing document. Governing documents must, at minimum, include the following information:

- Purpose
- Boundary description & map
- Board structure
 - Number of board members, which shall always be uneven
 - Term limits that are in alignment with state statute
- Description of any divisions of the PID
- Tax levy rate
- Limitation on principal amount of indebtedness
- Conflict of interest procedure

Governing documents will be sent to UIPA staff for review at least 30 days prior to the second public UIPA board meeting as stated in the approval process.

Amendments

PID governing documents may be amended by the PID board with final approval from the UIPA board.

XI. PID Board Member Requirements

At minimum, PID board members should meet annually and ensure that PID progress, budgets, annual reports and audits, and financial statements are reviewed and approved.

XII. Compliance & Reporting

Pursuant to 17D-4-205, a PID shall file annual reports with the creating entity regarding the PID's actions as provided in the governing document. These annual reports will be reviewed by UIPA staff and board. The UIPA Executive Director will provide an annual update to the board for each PID created by the UIPA. PID annual reports will be publicly available on the UIPA website.

Pursuant to 17N-1-702, PID board shall ensure compliance with budget requirements. Budget amendments, supplements, and adoption reports will be sent to the UIPA Chief Financial Officer.

Pursuant to 17N-1-703, PID board shall ensure compliance with audit requirements. Annual audit reports will be sent to the UIPA Chief Financial Officer.
