# Broadway Consulting Contract

# Interlocal Agreement Community Grants

- From the Community Impact category of the Interlocal Agreement with SLC
- Reviewers: Mona Smith, Stephen Smith, Holly Lopez, Joshua Rebollo, Jack Ray, Lorena Riffo Jenson, Sophia Nicolas, Lexi Tuddenham
- 58 Applications Submitted
- \$1,291,436 available

Organization	Project Summary	Scoring	Requested Funds
Utah Clean Energy	The Westside Fleet Electrification Pilot aims to raise awareness about medium to heavy-duty fleet electrification's role in improving air quality in Westside communities. It supports local businesses in obtaining fleet electrification plans and aims to reduce air pollution in areas with poor air quality on the Westside of Salt Lake City.	33.95	\$270,000.00
Salt Lake Education Foundation	In partnership with the University of Utah, this project creates a high school-based clinic offering comprehensive physical, mental, and behavioral health care, reducing wait times and enhancing access.	33.86	\$400,000.00
NSF ASPIRE Engineering Research Center	The NSF ASPIRE Engineering Research Center's project aims to engage Westside residents in air quality research. They provide sensors, training, and community engagement events, working with the Utah Inland Port Authority (UIPA) to improve air quality awareness and provide valuable data to the community.	33.25	\$299,970.00
Ducks Unlimited	Ducks Unlimited is collaborating with the Utah Division of Wildlife Resources (UDWR) to transform a 660-acre wetland acquisition near Salt Lake City into a thriving wildlife conservation area. They seek \$116,239 for initial surveys, design, and permitting. This project not only enhances wildlife habitat but also provides public access and ecosystem services like water quality improvements.	33.19	\$116,239.00
Neighborhood House	Neighborhood House looks to support underserved community members in Salt Lake City. They provide high-quality daycare for low-income families, connecting them to essential services, therapy, education, legal aid, and more to help them climb the economic ladder.	33.06	\$400,000.00
Suazo Business Center	Suazo Business Center seeks funding for business support services and educational courses for minority-owned businesses, emphasizing economic opportunity and support for underserved entrepreneurs.	32.81	\$150,000.00
Utah Refugee Goats	URG, a refugee-operated project, aims to engage at-risk minority youth in farming, outdoor activities, and workshops on animal husbandry. This initiative empowers youth, keeps them engaged, and offers commercial opportunities through goat farming within their communities.	32.31	\$313,142.00
Community Development Corporation of Utah (CDCU)	CDCU's initiative plans to assist homeowners in Westside Salt Lake City with much-needed home repairs. Grants and interest-free loans of up to \$5,000 per home are provided, improving residents' physical and financial health, eliminating safety hazards, and enhancing energy efficiency.	32.13	\$200,000.00
Crossroads Urban Center	Building on Crossroads Urban Center's work, this project operates the Westside Food Pantry and Thrift Store, providing essential resources to those in need, especially on the Westside. It aims to meet increasing demand and expand services.	32.13	\$100,000.00
Utah Food Bank	The Utah Food Bank's Mobile Pantry program combats food insecurity by providing monthly food assistance to residents on the west side of Salt Lake City who lack access to physical food pantries. This program is expected to distribute a significant amount of food, improving residents' educational, health, and employment outcomes.	32.00	\$160,000.00
Friends of Fisher Mansion	The Fisher Mansion, a historic property on Salt Lake City's west side, needs restoration to become a cultural and recreational center. This proposal seeks funding to revitalize the mansion, making it a catalyst for economic development, community engagement, and pride in the surrounding neighborhoods.	31.88	\$390,473.00
TreeUtah	TreeUtah aims to build its capacity by hiring two Westside Salt Lake Tree Planting Coordinators and establishing a Community Tree Planting for the West Salt Lake program. This effort will enhance community engagement, fundraising, volunteer recruitment, and tree planting initiatives in Westside Salt Lake, with the goal of increasing the number of trees planted in the area.	31.81	\$400,000.00
Granite Education Foundation	The Granite Education Foundation aims to help every child in West Valley City reach their potential through education. They seek to reduce barriers to learning by providing resources like clothing, food, and educational opportunities, as well as supporting parents and caregivers to become involved in their children's education.	31.63	\$400,000.00
SPARC Environmental Justice Lab University of Utah	This transformative community-driven program aims to empower Westside residents by building food sovereignty and educational equity. It focuses on culturally sustaining urban agriculture, providing opportunities for students and community members to engage in healthy food practices.	31.40	\$170,566.00
NeighborWorks Salt Lake	This proposal outlines a plan for NWSL to leverage its position as a community development organization and Community Development Financial Institution (CDFI) to promote long-term affordable housing through a community land trust (CLT) and to provide support to	31.13	\$400,000.00

Organization	Project Summary	Scoring	Requested Funds
Odyssey House Inc-Utah	This project aims to empower outpatient clients by providing vocational education scholarships and living stipends for rent and expenses. It partners with technical colleges to eliminate financial barriers, allowing individuals to gain practical skills and improve employability.	31.13	\$400,000.00
The Children's Center Utah	The Children's Center Utah plans to create a Children's Mental Health Campus in West Valley City to enhance the well-being of infants, toddlers, preschoolers, and their families. This initiative seeks to provide comprehensive mental health care, even for families with limited financial means, and increase service capacity while fostering community collaboration.	31.06	\$400,000.00
Food Justice Coalition	Requesting \$372,357.52, the Food Justice Coalition aims to provide equitable, ready-to-eat meals to underserved and low-income individuals in Salt Lake's west side. They collaborate with various partners to combat food insecurity and build resilient food systems through meal delivery, food skill education, and advocacy.	30.94	\$372,357.52
Utah Arts Alliance	The Art Castle Project anticipates economic benefits through arts and cultural activities, job creation, and property value enhancement in Salt Lake City's westside communities.	30.94	\$400,000.00
Westside Coalition	The Westside Coalition requests funding to expand its efforts in connecting Westside residents with each other and institutions on issues affecting the area. This includes community-building events, partnership development, and hiring a program manager.	30.44	\$86,080.00
My Hometown Salt Lake City	My Hometown Salt Lake City aims to change the culture of westside communities, reduce isolation, help homeowners in need, and inspire residents to beautify their houses and yards. They organize volunteer events to improve neighborhoods and empower homeowners.	30.19	\$225,600.00
Good Samaritan Foundation	The Rose Park Neighborhood Center urgently needs shade structures to enhance community gatherings and events. This project aims to provide a shaded, safe space for garden gatherings and other activities, contributing to the well-being of the northwest corner of Salt Lake City.	29.81	\$78,120.00
Friends of the children	Friends of the Children - Utah seeks support for a mentorship program aimed at children and families facing significant challenges, with a proven track record of breaking the cycle of poverty and enhancing employability.	29.56	\$400,000.00
Utah Health & Human Rights	UHHR seeks funding to support its torture treatment program, providing services to immigrant and refugee families on the Westside. This funding will offer wraparound services to help survivors and their families meet basic needs, achieve self-sufficiency, and stabilize their housing and communities.	29.25	\$40,000.00
The INN Between	The INN Between is requesting grant funding to provide medical housing days for terminally ill and medically frail homeless clients, particularly those above the age of 60. This support will cover operational expenses, supplies, and food service, ensuring compassionate care for this vulnerable population. The goal is to help individuals experience dignity during end-of-life situations.	29.19	\$400,000.00
Family Support Center	Family Support Center focuses on building healthier homes and families, addressing abuse prevention, and providing various programs across multiple Salt Lake Valley locations.	29.13	\$250,000.00
Ron McBride Foundation	The Ron McBride Foundation supports afterschool programs in Title I schools, benefiting at-risk students. The foundation provides essential support to offer quality afterschool programs, mentorship, and skill development to vulnerable youth.	29.11	\$25,000.00
Salt Lake Donated Dental Services	SLDDS relieves dental pain and suffering for underserved populations through free and discounted dental services, especially for low-income children and adults, preparing them for success.	29.00	\$100,000.00
Salt Lake City Police Foundation	This foundation connects the police department with the community, supporting outreach and crime prevention programs to build trust and safety, especially for children and youth in at-risk neighborhoods.	28.94	\$50,000.00
PROG Foundation	PROG Foundation proposes an adult workforce diploma program, offering personalized learning plans, employability skills, and industry-recognized credentials, contributing to workforce readiness and Salt Lake County's economic landscape.	28.81	\$400,000.00
Utah Legal Services	Utah Legal Services' Expungement Project offers free legal advice and representation to low-income Utahns, including those in the Northwest Quadrant, to help them clear their criminal records, removing barriers to success.	28.81	\$194,750.00

Organization	Project Summary	Scoring	Requested Funds	B4
Cascade Energy	Cascade Energy, Inc. proposes a strategic resource management (SRM) program in Salt Lake City, targeting operational efficiency improvements in commercial and industrial organizations. This initiative aligns with sustainability goals and incorporates emission reduction and electrification projects to support environmental priorities.	28.63	\$400,000.00	
Cultivate Supply Chains	A feasibility analysis is suggested for the Salt Lake City School District to establish a cost-saving food hub. The project also involves hiring interns from Salt Lake Community College, providing them valuable experience while benefitting the Westside Community.	28.19	\$130,000.00	
Spy Hop Productions	Spy Hop Productions aims to bridge the digital divide and encourage civic participation in Salt Lake City's Northwest Quadrant. Through workshops and assemblies, it introduces media arts concepts, fostering creativity and critical thinking among youth. The initiative focuses on digital and media literacy, equipping young learners with essential skills for the future.	28.13	\$100,000.00	
Salt Lake American Refugee Services	SLARS and the Somali Community Self-Management Agency (SCSMA) have partnered to help Somali refugees overcome language and cultural barriers, enabling them to become self-sufficient and contributing members of society.	28.00	\$227,200.00	
Umaja Generation	Umaja Generation's Youth Program focuses on academic and personal success for refugee youth. The program offers homework help, college application assistance, computer skills instruction, and more. It includes weekly programs and bi-monthly seminars to support students preparing for college. Home visits engage parents in their children's education, fostering a sense of pride and collaboration.	27.38	\$105,000.00	
Utah Community Advocate Network	UCAN facilitates partnerships between parents, teachers, and school administrators on the Westside to enhance parental involvement in their children's education. UCAN empowers parents through training and equips them with skills to navigate the education system, fostering a culture of engagement, educational attainment, and increased access to higher education.	27.13	\$370,570.00	
Utah Muslim Civic League	The Utah Muslim Civic League seeks funding for programs supporting minority entrepreneurs and aiding youth in the juvenile justice system, aiming to address economic challenges and foster sustainable growth through business training, mentoring, and legal aid.	26.63	\$275,000.00	
Diversified Habitat	This proposal seeks funding to remove invasive species from 120 acres of critical habitat in the Inland Port. This effort is crucial for the preservation of native species and resident and migrating birds.	26.38	\$29,700.00	
WikiCharities	WikiCharities' project aims to create an online community-improvement tool for the Westside Community, promoting transparency and collaboration. It will facilitate collaboration between nonprofits, businesses, and residents to address community needs, fostering positive change and community engagement.	26.00	\$275,000.00	
Utah Youth Village	The Families First program provides intensive in-home therapeutic services aimed at positively changing family behaviors in Utah. It reduces abuse and neglect in families, prevents youth from entering the foster care system, and contributes to generational transformation.	25.88	\$75,000.00	
Rose Park Community Council	Seeking funding for a bilingual (English and Spanish) mailer to reach underserved individuals and communities of color in the Rose Park Community Council. The goal is to improve diversity and attendance on the community council.	25.81	\$25,000.00	
Utah Center for Legal Inclusion	The Utah Center for Legal Inclusion (UCLI) plans the Pre-Law Fellowship program to empower historically underserved groups, providing legal education and career support, ultimately contributing to a more diverse legal profession.	25.81	\$10,000.00	
Utah Hispanic Chamber of Commerce	The Utah Hispanic Chamber of Commerce (UHCC) plans to enhance a program called "The Business Academy" which aims to provide Hispanic Businesses with the knowledge, tools, and connections they can use to grow their business.	25.69	\$125,000.00	
UMA Foundation	The UMA Foundation, in collaboration with educational partners and machining companies, has launched a registered apprenticeship program for high school seniors and technical college students in Utah. This program addresses the state's need for CNC machinists by providing students with apprenticeships that alternate between on-the-job training and in-school technical instruction. It aims to expose diverse, low-income students to high-growth, high-wage career pathways in Advanced Manufacturing.	25.44	\$400,000.00	
Uplifting Path and Solutions	The "Financial Inclusion for Underserved Populations" project aims to address financial challenges faced by refugee and immigrant communities through microfinance initiatives, financial counseling, and credit-building programs.	25.13	\$260,000.00	

Organization	Project Summary	Scoring	Requested Funds
<b>Poplar Grove Community Council Board</b>	The Poplar Grove Community Council seeks a grant to fund neighborhood signs, including "Sign Toppers" for existing green address signs and "Planter Signs" at major intersections. These installations enhance the neighborhood's aesthetics and sense of community.	<b>24.94</b>	<b>\$235,000.00</b>
<b>Port Chassis Safe Ready</b>	"Port Chassis Ready Enables Safe Roads for Container Moves" aims to eliminate chassis shortages at the Union Pacific Intermodal Terminal, create jobs, improve road safety, and enhance goods delivery.	<b>24.69</b>	<b>\$300,000.00</b>
<b>SALT LAKE ACADEMY OF MUSIC</b>	SLAM proposes to expand SLAMWEST, a youth music education program on the Westside of SLC. It offers free group and individual music lessons, prioritizes equitable access, creates job opportunities, and stimulates local businesses. The program seeks to enhance academic, personal, and social development, through positive learning and mentorship opportunities.	<b>24.69</b>	<b>\$307,905.00</b>
<b>Jordan Meadows Community Council</b>	The Jordan Meadows Community Council plans to plant trees and other vegetation along the Green Line TRAX route. Funds will cover the purchase, planting, and five-year growth support of these plantings, enhancing the aesthetics and environmental quality of the area.	<b>24.63</b>	<b>\$157,000.00</b>
<b>Community Building Services</b>	This project aims to provide dance classes and support services to single mothers, the elderly, and refugees/immigrants in West Valley City. Through capacity-building support and skill-building activities, it seeks to empower at-risk youth, enhance self-esteem, and foster positive personal and social development.	<b>24.56</b>	<b>\$172,794.00</b>
<b>Moms Who Code</b>	Moms Who Code, in collaboration with multiple partners, aims to empower Westside residents with knowledge and skills.
